Soft Skills: Problem-Solving, Logical Thinking, Fast Learner, Continuous Learner, Client Communication, Time Management, Self-Motivation

FREELANCE EXPERIENCE

Founder & Full-Stack Developer — Etriq (Freelance)

January 2023 – Present

- Designed and developed a fully manageable e-commerce website for a bakery business, including a custom admin panel and order management system, streamlining order tracking and reducing manual processing time
- Built a SaaS platform offering AI-powered price analytics and profit intelligence, giving global e-commerce businesses actionable insights to optimize pricing and improve margins
- Developed and deployed a cross-platform mobile application using Flutter, delivering a smooth user experience across Android and iOS from a single codebase
- Managed the complete project lifecycle independently — from client requirements gathering and UI/UX design to development, testing, and deployment
- Collaborated directly with clients to translate business needs into functional, scalable technical solutions under the Etriq brand

EDUCATION

Bachelor of Computer Applications (BCA)

Manipal University Jaipur | 2025 – 2028

CERTIFICATIONS

- Full Stack Development — Microsoft
- Flutter Development — Google
